In accordance with the Club's Strategic Plan, the Koorringal Colts Cricket Club strives to:

- Be the most successful and respected club in the Wagga District Cricket Association.
- Provide a welcoming, friendly and supportive environment for players, family and supporters

This 'Code of Conduct' supports the Strategic Plan, and recognises the importance of protecting the image and reputation of the Koorringal Colts Cricket Club. As such, this document sets the standards of conduct expected of all Club members and officials.

As a member or official of the Koorringal Colts Cricket Club your conduct while representing the club in any capacity must meet the standards set out below.

These standards are guidelines only and the Committee of the Koorringal Colts Cricket Club reserves the right to discipline a member or official for conduct they believe is outside the spirit of these guidelines - whether it is explicitly covered in the Code of Conduct or not.

ON FIELD

Senior players of the Koorringal Colts Cricket Club are expected to play within the rules and the 'spirit' of the game. While cricket is a highly competitive game, the behaviors demonstrated by players should not deviate from what society would deem acceptable. The strength of the sport is also reliant upon the acceptance of the Umpire's decision and senior players are expected to abide by this.

- Be punctual. Arrive at the game promptly at the time designated by your Team Captain, preferably wearing a Koorringal Colts Polo Shirt on arrival. If you are going to be late please advise the Team Captain before match day.
- At all times show respect for your Captain, Team and Club. Team captains are selected with a clear expectation that they will be shown the proper respect on and off the field.
- Always respect the umpires and their decisions. Aggressive or overtly sarcastic behaviour towards the game's officials is not acceptable. Acknowledge the umpires at the conclusion of the game and thank them for their contribution.
- Respect the opposition treating all participants in the game as you would like to be treated. Acknowledge the opposition at the end of the game and congratulate their players on good performances.
- Control your temper. The use of offensive language is not acceptable. This includes any act that is reasonably likely to threaten, disparage, vilify, offend, insult, humiliate or intimidate another person or group based on race, religion, descent, color, national or ethnic origin or sexual orientation.
- Wear the correct uniform including a Koorringal Colts collared playing top and cap or floppy hat, standard cricket pants and cricket spikes or runners.

- Play the game hard but fair in accordance with the Koorungal Colts Cricket Club Code of Conduct. Captains are responsible to ensure that the Code of Conduct is adhered to by all players.
- Positively contribute to an enjoyable and organised days cricket by volunteering for match day duties including but not limited to scoring, putting out boundary markers, preparation of drinks or square leg umpiring.
- Leave the facilities as you found them by assisting in packing up all playing equipment and any tables and chairs etc together with removing all rubbish.
- Encourage your team and club mates and celebrate their success.
